California Public Utilities Commission
505 Van Ness Avenue, Hearing Room A

Energy Division will be conducting a workshop to take place in San Francisco on May 14, 2003, from 9:30 a.m. to 4:30 p.m. in conjunction with OII 03-03-018 and OIR 03-03-017 on mobile home park submetering discount.

In addition, energy-related costs incurred by the MHP owner that are not covered by the MHP discount will be identified. Participating utilities should be prepared to present simplified diagrams of the utility facilities used to serve directly metered mobile home park customers, with the components clearly identified.

Representatives of the mobile home park owners should also present, wherever possible, similar diagrams for submetered systems.
